Description

Vacuum tumbler by **Lutetia T4** is a tumbler perfect for massaging, salting and marinating all kinds of meat. Its specific finish of the mixing blades has been appreciated by customers from all over the world. especially appreciated by poultry processing - where the delicate meat **is not getting damaged**, but subjected to the process of massaging / marinating or salting - it retains its original shape and structure.

Tumbler after a complete service with a new control, ready to work for the next many years.
